In Memoriam

MISS GRACE WHISNANT

MR. DEWIE McCALL

The departed whom we now remember have entered into the peace of life eternal.

They still live on earth in the acts of goodness they performed and in the hearts of those who cherish their memory.

May the beauty of their lives abide among us as a loving benediction.

Instead of the traditional Last Will and Testament, the annual staff has decided that this poem expresses all the thoughts that we don't quite know how to say.

The poem, "Desiderata", was written in 1692. It was found in a French monastery. Even though it was written almost 300 years ago, we feel that its meaning applies even more so to today and to our generation.

Desiderata

Go placidly amid the noise and hate, and remember what peace there may be in silence.

As far as possible without surrender, be on good terms with all persons. Speak your truth, quietly and clearly, and listen to others, even the dull and ignorant; they too have their story.

Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans.

Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism.

Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment, it is as perennial as the grass.

Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself.

You are a child of the universe, no less than the trees and the stars; You have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.

Therefore, be at peace with God, whatever you conceive him to be, and whatever your labors and aspirations; in the noisy confusion of life keep peace with your soul. With all its sham, drudgery, and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

"Fair is foul, and foul is fair,
Hover through the fog and filthy air."

This year a new program was introduced into the Burke County Public Schools - Environmental and Ecological Education, or EEE. The aim of this program is to increase the student's appreciation of nature, and to spark an interest in the ecological condition of the county and surrounding areas.

Leaders of this organization include Ernie Morgan, Mike Forney, and Judy Kever, and is headed by Earl Whitner. Each leader has exceptional outdoor experience, and is well qualified to lead trips of rock climbing, white-water canoeing, and kiking. Several students from every school in the county.

COACH TERRY ROGERS

The Bulldogs of Oak Hill again completed a successful Basketball season. Much of our success was due to the quality of young men who competed. They exhibited a desire to win and did so. They overcame many obstacles in pursuit of a common goal. The pride and courage shown at all times by these young men made sweeter the taste - whether in victory or in defeat.

Terry L. Rogers

Oak Hill's Best

It is difficult to live up to the goals set by our fine football team. However, these young men accepted the challenge and did not fail. Throughout a grueling basketball season they played with unfailing vigor to end the season in 3rd place.

Ben was a tremendous help to the team this year. He not only kept score but drove the bus to all of the Bulldogs games. For this we would like to thank him.

FACULTY

We Honor a Most Outstanding Teacher

The student body has unanimously chosen Mrs. Doris Fullwood as their Teacher of The Year . . .

There is a little lightning in her eyes,
iron at the mouth. Her brows ride neither
too far up nor down. She is splendid, with
a place to stand - some glowing in the common
blood, some specialness within.

MR. WILLIAM BROWN,
Principal

Perhaps the most valuable result of all education is the ability to make yourself do the thing you have to do, when it ought to be done, whether you like it or not. This is the first lesson that ought to be learned.
